

Dear Applicant,

Thank you for expressing your interest in becoming involved with Prevent Child Abuse Louisiana. This involvement can be a challenging and fascinating activity through which you can realize personal goals and growth through helping others.

Prevent Child Abuse Louisiana is a statewide, nonprofit organization dedicated to the prevention of child abuse and neglect in all its forms. A wide variety of volunteer opportunities are available for individuals. No previous experience or education is necessary, however we are looking for individuals who are able to remain nonjudgmental and who are able to listen and communicate effectively.

As you would expect, selection and training of volunteers is a crucial aspect of our programs. The role of a volunteer can be both rewarding and demanding. We think it is important that each applicant have a clear understanding of that role and of the extent of the commitment involved. We hope the enclosed material will provide some enlightenment on these areas and enable you to make a meaningful commitment for yourself and for PCA Louisiana.

When we receive your completed application, we will call you to arrange an individual interview. This interview will provide you with an opportunity to get to know more about our programs and discuss your possible involvement with the organization. We look forward to hearing from you!

Sincerely,

Mallory Lafargue, GSW
Assistant Director of Prevention Services
