

## **BACA and PCA Louisiana to Hold Rally on Capitol Steps**

Baton Rouge – March 28, 2008 - In an effort to get the word out on child abuse, B.A.C.A. Bikers Against Child Abuse will join forces with P.C.A.L. Prevent Child Abuse Louisiana at the steps of the State Capitol in Baton Rouge on Saturday, April 26, 2008 at 12:00pm to meet with other like minded people to discuss efforts to end this scourge on our children. Governor Bobby Jindal and the entire legislature have been invited to attend and offer their support to this most worthy cause.

All children love motorcycles. All BACA members love motorcycles. We begin with this one common thread and use it to empower abused children to not be afraid of the world in which they live. We use motorcycles as a force for good. Our members come from all walks of life and share the idea that our states children should be loved and protected. In other words, ordinary citizens who love their country, their bikes, and their kids.

Child abuse is completely preventable. It is not a disease, it is not hereditary, and it is not an addiction. There is no excuse for it and it must be eradicated.

Come find out more of what B.A.C.A. and P.C.A.L. is all about and what we are doing to help. We would appreciate any coverage you could give this event to help Louisiana's children.

Thank you for your attention and cooperation in this matter.

Sincerely,
